A FRESH START TO ENDING FAMILY HOMELESSNESS

Update on the Plan to Close & Replace DC General

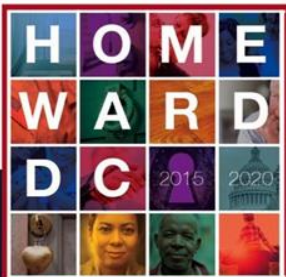

- On October 30th, **Mayor Bowser closed DC General Family Shelter once and for all** following the last family's move out of the shelter. The vast majority of families who had been served at DC General are now living in apartments of their own.
- *The Kennedy* and *The Horizon*, two new Short-term Family Housing programs in Wards 4 and 7, are now serving families.
- A third program, *The Triumph*, will open in Ward 8 this month.

A FRESH START TO ENDING FAMILY HOMELESSNESS

A FRESH START TO ENDING FAMILY HOMELESSNESS

Good Neighbor Protocol

Progress to date

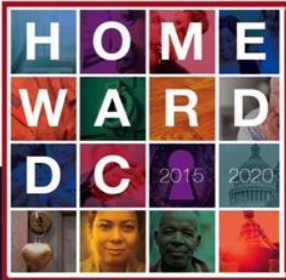

- **January:** Advisory Team briefed on purpose and scope of Good Neighbor Protocol; process established for developing language
- **April:** Advisory Team held first Good Neighbor Protocol workshop to ask questions and provide suggested language
- **July:** Advisory Team held second Good Neighbor Protocol workshop and brainstormed process for engaging community members

Today

- Review updated draft of GNA that incorporates Advisory Team feedback received to date, and continue refining language
- Review proposed timeline for engaging community members

Next steps

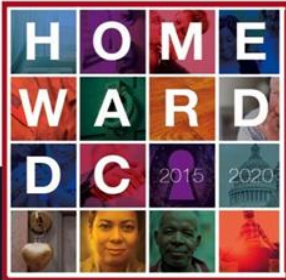

- **December:** Collect community feedback on draft GNA
- **February:** Convene quarterly team meeting to work through community feedback

Good Neighbor Protocol

Proposed next steps to engagement community members for discussion:

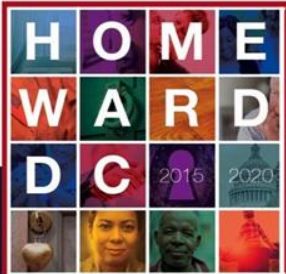

- **Week of November 12:** Host makeup call for Advisory Team members, share fliers for community engagement meetings
- **Week of December 10:** Host first community engagement session at neighboring apartment building
- **Week of December 17:** Host second community engagement session
- **Week of February 11:** Reconvene Advisory Team to review feedback from community
