Mayor’s Office of Community Relations and Services (MOCRIS)
Executive Office of Mayor Muriel Bowser

Dear Mayor Bowser;

On behalf of the members of The Newark Street Community Garden Association, I wish to express our appreciation for the actions taken by your office in mitigating the impact of the construction of the parking garage at the adjacent Second District Metropolitan Police Station. The MOCRIS team met with us and was very accommodating to the needs of the gardeners who will lose their wall plots due to the construction. Under the direction of Mr. Thomas, alternative plots were provided for the impacted gardeners. We are completely satisfied with the outcome.

We are pleased that the City supports community gardens such as ours as a resource for making the District such a pleasant place to live.

Yours sincerely,
