Homeward DC: Strategic Plan 2015-2020

Vision: By 2020, homelessness in the District will be a rare, brief, and non-recurring experience.

Objectives:
1. Develop a more effective crisis response system
2. Increase the supply of affordable and supportive housing
3. Remove barriers to affordable and supportive housing
4. Increase the economic security of households in our system
5. Increase prevention efforts to stabilize households before housing loss occurs

Replacing DC General with smaller, more dignified Short-term Family Housing sites is a critical part of the homeless system reform underway in the District. For more information: http://ich.dc.gov/
Making Homelessness Rare, Brief & Nonrecurring

Prevent homelessness by providing robust services

Offer safe and dignified short-term housing to people who experience homelessness

Help people transition into housing ASAP
**Current State with DC General**

- **Far Too Big and Institutional:**
  Old Hospital that houses 260 families each night, 50 plus families on each floor

- **Poor Conditions:**
  Old, outdated building that is beyond it’s useful life

- **Inadequate Programming Space:**
  Not enough space for children and families to receive needed services

- **The Wrong Environment that can be a Barrier to Better Outcomes**
  Large, institutional setting dilutes effective service delivery is not the right environment for families

**Future State with Short-term Family Housing**

- **Small, Residential Setting**
  No more than 50 families per site

- **New, Dignified and Modern**
  New, beautiful facilities, designed specifically to meet the needs of families

- **Programming Space**
  Designed to provide children and families with the supports and services they need.

- **A Supportive Environment that Helps Families Achieve Stable Housing, Quickly**
  Warm, residential setting that supports families quickly through the immediate crisis of homelessness back to more stability in housing.
