

Caring for Families. Improving Lives. Leading Change.

# Overview of Programs

# Community of Hope

- Founded in 1980, Community of Hope's mission is to create opportunities for low-income families in Washington, DC, including those experiencing homelessness, to achieve good health, a stable home, family-sustaining income, and hope.
- Will serve about 1,200 families in our programs to prevent and end homelessness in 2018.
- Will serve about 12,000 patients in our three health centers in 2018, providing medical, dental, and behavioral health services.
