Welcome and Introductions

- Please tell us your name and the stakeholder group you represent.
- Briefly, tell us why you want to participate in the Advisory Team for Ward 3.

Purpose of the Advisory Teams

1. Coordinate community feedback and input opportunities on issues and concerns related to the development of Short-term Family Housing and share information.
2. Provide feedback on concerns related to residents' quality of life during construction.
3. Develop Good Neighbor Agreements.

Scope of Advisory Team

IN-SCOPE

- Gathering community input on exterior design.
- Listening and responding to concerns and questions regarding quality of life issues during construction and how the program impacts the community.
- Coordinating the sharing of information amongst stakeholder groups. Information shall not include anything that may be construed to relate to active litigation.
- Working with the program service provider to establish shared expectations for both the community and the program regarding being “good neighbors.”

OUT-OF-SCOPE

- Program Components and Rules and Regulations relating to the Short-term family housing program.
- Legislative or judicial processes relating to the Short-term family housing program.
- Any question, concern, or comment about active litigation is off the table.

Advisory Team Milestones

1. Launch Advisory Team
2. Provide input on facility design
3. Receive BZA application and presentation (formally presented to ANC)
4. Receive Final design and construction timeline presentation
5. Develop a good neighbor agreement with Short-term Family Housing program

Ward 3 Project Process

Agenda

1. Welcome and Introductions
2. Purpose and Scope of Advisory Team
3. Update on STFH Process in Ward 3
- 4. Identifying Community Issues**
5. How to Get Advisory Team Input on Design
6. Summary of Next Steps & Adjourn

How to Get Advisory Team Input on Design

1. Gather meaningful input from stakeholder groups on what is important to them in building design.
2. Advisory Team holds listening session with Design Team to give input on design.
3. Design Team presents draft design to community and receives feedback.

How to Get Advisory Team Input on Design

- What aspects of the facility does your stakeholder group want the design team to focus on or consider while during the site massing process?
- What exterior design attributes would your stakeholder group want reflected in the final design, and provide examples?
- What exterior design elements would your stakeholder group absolutely not want included as part of the final design, and provide examples?
- What other aspects of the design and site should the program or design team take into account while designing the W3 STFH?
