Official Code §2-536(b) requires the District to make available electronically copies of records that must be made public. The District’s policy is to release documents relating to District proposals following award of the contract, subject to applicable FOIA exemption under §2-534(a)(1). Successful proposals will be published on the OCP Internet in accordance with D.C. Official Code §2-361.04, subject to applicable FOIA exemptions.
L.4 PROPOSAL SUBMISSION DATE AND TIME, AND LATE SUBMISSIONS, LATE MODIFICATIONS, WITHDRAWAL OR MODIFICATION OF PROPOSALS AND LATE PROPOSALS

L.4.1 Proposal Submission

Proposals must be submitted no later than **2:00 pm local time, August 30, 2013 to 1100 4th Street SW, Suite E500, Washington, DC 20024**. Proposals, modifications to proposals, or requests for withdrawals that are received in the designated District office after the exact local time specified above, are "late" and shall be considered only if they are received before the award is made and one (1) or more of the following circumstances apply:

(a) The proposal or modification was sent by registered or certified mail not later than the fifth (5th) day before the date specified for receipt of offers;

(b) The proposal or modification was sent by mail and it is determined by the CO that the late receipt at the location specified in the solicitation was caused by mishandling by the District, or

(c) The proposal is the only proposal received.

L.4.2 Withdrawal or Modification of Proposals

An Offeror may modify or withdraw its proposal upon written, telegraphic notice, or facsimile transmission if received at the location designated in the solicitation for submission of proposals, but not later than the closing date and time for receipt of proposals.

L.4.3 Postmarks

The only acceptable evidence to establish the date of a late proposal, late modification or late withdrawal sent either by registered or certified mail shall be a U.S. or Canadian Postal Service postmark on the wrapper or on the original receipt from the U.S. or Canadian Postal Service. If neither postmark shows a legible date, the proposal, modification or request for withdrawal shall be deemed to have been mailed late. When the postmark shows the date but not the hour, the time is presumed to be the last minute of the date shown. If no date is shown on the postmark, the proposal shall be considered late unless the Offeror can furnish evidence from the postal authorities of timely mailing.

L.4.4 Late Modifications

A late modification of a successful proposal, which makes its terms more favorable to the District, shall be considered at any time it is received and may be accepted.

L.4.5 Late Proposals

A late proposal, late modification or late request for withdrawal of a proposal that is not considered shall be held unopened, unless opened for identification, until after award and then retained with unsuccessful proposals resulting from this solicitation.
L.5 EXPLANATION TO PROSPECTIVE OFFERORS

If a prospective Offeror has any questions relating to this solicitation, the prospective Offeror shall submit the question electronically via the email to the person identified on page one (1), box 10. The prospective Offeror should submit questions no later than ten (10) days prior to the closing date and time indicated for this solicitation. The District may not consider any questions received less than ten (10) days before the date set for submission of proposals. The District will furnish responses via the OCP’s website. An amendment to the solicitation will be issued if the CO decides that information is necessary in submitting offers, or if the lack of it would be prejudicial to any prospective Offeror. Oral explanations or instructions given by District officials before the award of the contract will not be binding.

L.6 RESTRICTION ON DISCLOSURE AND USE OF DATA

L.6.1 Offerors who include in their proposal data that they do not want disclosed to the public or used by the District except for use in the procurement process shall mark the title page with the following legend:

"This proposal includes data that shall not be disclosed outside the District and shall not be duplicated, used or disclosed in whole or in part for any purpose except for use in the procurement process.

If, however, a contract is awarded to this Offeror as a result of or in connection with the submission of this data, the District will have the right to duplicate, use, or disclose the data to the extent consistent with the District’s needs in the procurement process. This restriction does not limit the District’s rights to use, without restriction, information contained in this proposal if it is obtained from another source. The data subject to this restriction are contained in sheets (insert page numbers or other identification of sheets)."

L.6.2 Mark each sheet of data it wishes to restrict with the following legend:

“Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal."

L.7 PROPOSALS WITH OPTION YEARS

The Offeror shall include option year prices in its price/cost proposal. An offer may be determined to be unacceptable if it fails to include pricing for the option year(s).

L.8 PROPOSAL PROTESTS

Any actual or prospective Offeror or contractor who is aggrieved in connection with the solicitation or award of a contract, must file with the D.C. Contract Appeals Board (Board) a protest no later than ten (10) business days after the basis of protest is known or should have been known, whichever is earlier. A protest based on alleged improprieties in a solicitation which are apparent at the time set for receipt of initial proposals shall be filed with the Board prior to the time set for receipt of initial proposals. In procurements in which proposals are requested, alleged improprieties which do not exist in the initial solicitation, but which are subsequently incorporated into the solicitation, must be protested no later than the next closing
time for receipt of proposals following the incorporation. The protest shall be filed in writing, with the Contract Appeals Board, 441 4th Street, N.W., Suite 350N, Washington, D.C. 20001. The aggrieved person shall also mail a copy of the protest to the CO for the solicitation.

L.9 UNNECESSARILY ELABORATE PROPOSALS

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective response to this solicitation are not desired and may be construed as an indication of the Offeror's lack of cost consciousness. Elaborate artwork, expensive visual and other presentation aids are neither necessary nor desired.

L.10 RETENTION OF PROPOSALS

All proposal documents will be the property of the District and retained by the District, and therefore will not be returned to the Offerors.

L.11 PROPOSAL COSTS

The District is not liable for any costs incurred by the Offerors in submitting proposals in response to this solicitation.

L.12 CERTIFICATES OF INSURANCE

Prior to commencing work, the Contractor shall have its insurance broker or insurance company submit certificates of insurance giving evidence of the required coverages as specified in Section I.8 to:

1100 4th Street SW, Suite E500  
Washington, DC 20024  
jacque.mcdonald@dc.gov

L.13 ACKNOWLEDGMENT OF AMENDMENTS

The Offeror shall acknowledge receipt of any amendment to this solicitation electronically via email to the person identified on page one (1), box 10. The District must receive the acknowledgment by the date and time specified for receipt of proposals. An Offeror’s failure to acknowledge an amendment may result in rejection of its offer.

L.14 BEST AND FINAL OFFERS

If, subsequent to receiving original proposals, negotiations are conducted, all Offerors within the competitive range will be so notified and will be provided an opportunity to submit written best and final offers at the designated date and time. Best and final offers will be subject to the Late Submissions, Late Modifications and Late Withdrawals of Proposals provisions of the solicitation. After receipt of best and final offers, no discussions will be reopened unless the CO
determines that it is clearly in the District’s best interest to do so, e.g., it is clear that information available at that time is inadequate to reasonably justify contractor selection and award based on the best and final offers received. If discussions are reopened, the CO shall issue an additional request for best and final offers to all Offerors still within the competitive range.

L.15 LEGAL STATUS OF OFFEROR

Each proposal must provide the following information:

L.15.1 Name, address, telephone number and federal tax identification number of Offeror;

L.15.2 A copy of each District of Columbia license, registration or certification that the Offeror is required by law to obtain. This mandate also requires the Offeror to provide a copy of the executed “Clean Hands Certification” that is referenced in D.C. Official Code §47-2862, if the Offeror is required by law to make such certification. If the Offeror is a corporation or partnership and does not provide a copy of its license, registration or certification to transact business in the District of Columbia, the offer shall certify its intent to obtain the necessary license, registration or certification prior to contract award or its exemption from such requirements; and

L.15.3 If the Offeror is a partnership or joint venture, the names and addresses of the general partners or individual members of the joint venture, and copies of any joint venture or teaming agreements.

L.16 FAMILIARIZATION WITH CONDITIONS

Offerors shall thoroughly familiarize themselves with the terms and conditions of this solicitation, acquainting themselves with all available information regarding difficulties which may be encountered, and the conditions under which the work is to be accomplished. Contractors will not be relieved from assuming all responsibility for properly estimating the difficulties and the cost of performing the services required herein due to their failure to investigate the conditions or to become acquainted with all information, schedules and liability concerning the services to be performed.

L.17 GENERAL STANDARDS OF RESPONSIBILITY

The prospective contractor must demonstrate to the satisfaction of the District its capability in all respects to perform fully the contract requirements; therefore, the prospective contractor must submit relevant documentation within five (5) days of the request by the District.

L.17.1 To be determined responsible, a prospective contractor must demonstrate that it:

(a) Has adequate financial resources, or the ability to obtain such resources, required to perform the contract;

(b) Is able to comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments;
Has a satisfactory performance record;

Has not exhibited a pattern of overcharging the District;

Does not have an outstanding debt with the District or the federal government in a delinquent status; and

Is otherwise qualified and is eligible to receive an award under applicable laws and regulations.

L.17.2 If the prospective contractor fails to supply the information requested, the CO shall make the determination of responsibility or nonresponsibility based upon available information. If the available information is insufficient to make a determination of responsibility, the CO shall determine the prospective contractor to be nonresponsible.

END OF SECTION L
SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The contract will be awarded to the responsible Offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

<table>
<thead>
<tr>
<th>Numeric Rating</th>
<th>Adjective</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Unacceptable</td>
<td>Fails to meet minimum requirements; e.g., no demonstrated capacity, major deficiencies which are not correctable; Offeror did not address the factor.</td>
</tr>
<tr>
<td>1</td>
<td>Poor</td>
<td>Marginally meets minimum requirements; major deficiencies which may be correctable.</td>
</tr>
<tr>
<td>2</td>
<td>Minimally Acceptable</td>
<td>Marginally meets minimum requirements; minor deficiencies which may be correctable.</td>
</tr>
<tr>
<td>3</td>
<td>Acceptable</td>
<td>Meets requirements; no deficiencies.</td>
</tr>
<tr>
<td>4</td>
<td>Good</td>
<td>Meets requirements and exceeds some requirements; no deficiencies.</td>
</tr>
<tr>
<td>5</td>
<td>Excellent</td>
<td>Exceeds most, if not all requirements; no deficiencies.</td>
</tr>
</tbody>
</table>

M.2.2 The technical rating is a weighting mechanism that will be applied to the point value for each evaluation factor to determine the Offeror’s score for each factor. The Offeror’s total technical score will be determined by adding the Offeror’s score in each evaluation factor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, if the District evaluates the Offeror’s response as “Good,” then the score for that evaluation factor is 4/5 of 40 or 32.

If subfactors are applied, the Offeror’s total technical score will be determined by adding the Offeror’s score for each subfactor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, with two subfactors of twenty (20) points each, using the Technical Rating Scale above, if the District evaluates the Offeror’s response as “Good” for the first subfactor and “Poor” for the second subfactor, then the total score for that evaluation...
factor is $4/5$ of 20 or 16 for the first subfactor plus $1/5$ of 20 or 4 for the second subfactor, for a total of 20 for the entire factor.

M.3.1 TECHNICAL CRITERIA  (75 Points Maximum)

These evaluation factors consider the Offeror’s knowledge and experience, capacity, organization and management approach, past performance, and proposed methodology used in performing services the same or similar to the required services as described in Section C. These evaluation factors include an examination of the quality of services provided timeliness in service delivery, business practices, and overall satisfaction with the Offeror’s performance.

M.3.1.1 Knowledge and Experience (0 – 30 points)

- Offeror has demonstrated its knowledge and expertise of local and national housing issues, including rental housing, housing affordability, and at-risk households. [20 points]

- Offeror has demonstrated knowledge and experience in providing similar or like kind services for public or private sector clients. Offeror has demonstrated a clear understanding of the project requirements. [10 points]

M.3.1.2 Organizational Capacity and Management Approach – (0-15 points)

Offeror has demonstrated organizational capacity to fulfill the requirements under this solicitation and has demonstrated a sound management approach through:

d. A detailed organizational chart that includes all functions and identifies positions of key personnel.

e. Description of its management approach, staffing, and schedule for assigned tasks.

f. A quality approach that effectively accomplish the objectives within the stated timeline [15 points]

M.3.1.3 Proposed Methodology (0 – 15 points)

Offeror’s proposed methodology has demonstrated how the Offeror intends to complete the project and all deliverables successfully, including all major tasks and subtasks, including dependencies and critical path items. [15 points]

M.3.1.4 Past Performance (0 – 15 points)

- The Offeror provides, with proposal, the completed Experience Questionnaire (Attachment J.10) listing all contracts in which the Offeror or its major subcontractors or joint venture partners have performed similar work in the past five (5) years. Work is similar, if the function, responsibilities, and duties of the Offeror are essentially the same as the required services described in Section C.5; and

- The past performance evaluations obtained by the District from a minimum of three (3) references provided by the Offeror, are satisfactory or better, as described in the instructions and rating criteria on page 2 of the District’s Past Performance Evaluation Form (Attachment J.10.1).
M.3.2 PRICE CRITERION  (25 Points Maximum)

The price evaluation will be objective. The Offeror with the lowest price will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each Offeror's evaluated price score:

\[
\frac{\text{Lowest price proposal}}{\text{Price of proposal being evaluated}} \times \text{weight} = \text{Evaluated price score}
\]

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2  (12 Points Maximum)

M.3.4 TOTAL POINTS  (112 Points Maximum)

Total points shall be the cumulative total of the Offeror’s technical criteria points, price criterion points and preference points, if any.

M.4 EVALUATION OF OPTION YEARS

The District will evaluate offers for award purposes by evaluating the total price for all options as well as the base year. Evaluation of options shall not obligate the District to exercise them. The total District’s requirements may change during the option years. Quantities to be awarded will be determined at the time each option is exercised.

M.5. PREFERENCES FOR CERTIFIED BUSINESS ENTERPRISES

Under the provisions of the “Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005”, as amended, D.C. Official Code § 2-218.01 et seq. (the Act), the District shall apply preferences in evaluating proposals from businesses that are small, local, disadvantaged, resident-owned, longtime resident, veteran-owned, local manufacturing, or local with a principal office located in an enterprise zone of the District of Columbia.

Any prime contractor that is a disadvantaged business enterprise (DBE) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to this RFP.

Any prime contractor that is a veteran-owned business (VOB) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score for proposals submitted by the VOB in response to this RFP.

Any prime contractor that is a local manufacturing business enterprise (LMBE) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score for proposals submitted by the LMBE in response to this RFP.

Notwithstanding the availability of the preceding preferences, the maximum total preference to which a certified business enterprise is entitled under the Act is the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to this RFP. There will be no preference awarded for subcontracting by the prime contractor with certified business enterprises.

When DSLBD certifies a joint venture, the certified joint venture will receive preferences as a prime contractor for categories in which the joint venture and the certified joint venture partner are certified, subject to the maximum preference limitation set forth in the preceding paragraph.

Any vendor seeking to receive preferences on this solicitation must be certified at the time of submission of its proposal. The contracting officer will verify the Offeror’s certification with DSLBD, and the Offeror should not submit with its proposal any documentation regarding its certification as a certified business enterprise.

M.6.2 In connection with any discount offered, time will be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.
